REMINDER

**Potential Offerors:**

Amtrak and the Authority held One-on-One meetings the week of June 2, 2014. During the discussions, a number of questions were raised ranging from very detailed to policy level comments including several requests for extension of the proposal due date. We stated that an Amendment would be issued on or about June 16, 2014. Given the number and complexity of the concerns raised, we are not issuing an Amendment at this date. We acknowledge that the July 14, 2014 proposal due date will need to be adjusted. We will be communicating with you in the near future. Thank you for your continued interest in the solicitation.
