RFQ No.: RFX16-11

Authority's Responses to Offeror's Questions, No. 2 (Revised #1 and #2)

March 17, 2017

No	RFQ Section	Question	Response
1	Exhibit A, Page 3	Is the "Safety Plan" listed in Exhibit A, page 3, Task 1 d. the same as the "Safety & Security Program" listed in Exhibit A, page 3, Task 1 d. 1?	The Safety and Security Plan is developed by the successful Consultant in compliance with the Authority's Safety and Security Program. This clarification will be reflected in Addendum 1.
2	Exhibit A, Page 3	<p>A) Is the Security Program to address security of the electronic data from being lost or corrupted?</p> <p>B) Or does it relate to the security of the information being shared between persons via email, conversations, etc.?</p> <p>C) Or does it relate to the safety of personnel as implied in the "Field Safety and Security Plan" mentioned in Exhibit A, Page 3, Task 1 d. 1?</p>	<p>A) That is one possible aspect of the Safety and Security Plan, however the focus is primarily on property and personnel.</p> <p>B) Yes, to the extent that it relates to the Authority's Safety & Security policies, procedures, and specifications, however the focus is primarily on property and personnel.</p> <p>C) Yes, to the extent that it relates to the Authority's Safety & Security policies, procedures, and specifications, including the Authority's "Site-Specific Safety Plan and Emergency Response Plan", however the focus is primarily on property and personnel.</p>
