

# T.Y. Lin International

Port Mann, British Columbia

## TYLI Facts

Founded in 1954  
 29 Office Locations  
 14 States  
 \$90 Million ~ Current Backlog

## Market States

Revenue per largest states:

CA	29%	179 Employees	\$32 Million
FL	18%	153 Employees	\$20 Million
IL	11%	52 Employees	\$12 Million
NY	8%	90 Employees	\$9 Million

## Growth

Design Revenue:

2008 \$111 Million  
 2007 \$85 Million  
 2006 \$79 Million

Project Owners:

30% State Government  
 16% County Government  
 15% City Government

## Personnel

659 Employees with 420 Specific to Transportation

Design Work:

47% Bridge  
 31% Highway  
 11% Non-Federal Facilities  
 9% Aviation  
 1% Transit/Rail  
 1% Port/Marine

## TYLI Services

Design-Build  
 Engineering  
 Bridges  
 Traffic and Transportation Planning  
 Civil/Site  
 Buildings  
 Port/Marine  
 Railroads  
 Aviation  
 Geotechnical  
 Environmental  
 Planning  
 Site Planning  
 Comprehensive Planning  
 Economic Development  
 Recreation  
 GIS  
 Grant Identification and Preparation  
 Architecture  
 Building Codes  
 Construction Engineering and Inspection  
 Construction Management  
 Land Surveying

## Recent Major Alternative Delivery Projects

\$2.5 Billion Port Mann Vancouver, British Columbia ~ cable stayed bridge and new highway alignment; public-private partnership; design complete 2010; construction complete 2012

\$189 Million SR-202, Highway IOIL to SR-51, Arizona ~ bridge and roadway addition of general purpose lanes

from 1-10 to SR-10IL; TYLI responsible for bridge design only; design complete 2009, construction complete 2011

\$177 Million SR-826 Palmetto Section 2, Florida ~ bridge and roadway - 1.5 miles of expressway reconstruction with a major interchange at Bird Road/SR-874;

TYLI responsible for bridge design only; design complete 2009, construction complete 2010
