RECITALS

- A. On _____ the California High-Speed Rail Authority (Authority) issued Request for Proposals No. HSR 14-32 (as amended, "RFP") for design and construction of Construction Package No. 4 of the First Construction Segment of the California High-Speed Rail Project, pursuant to procurement authority granted in Section 185036(a) of the California Public Utilities Code.
- B. The Authority's goals for the Project include achieving the design, construction and testing of the Project within the Authority's standards for schedule, budget, quality, sustainability, safety and security, and validation, verification and self-certification while meeting the established criteria for the use of small, disabled and disadvantaged businesses and for environmental compliance and mitigation.
- C. The Contract Documents include provisions intended to allow the Authority's goals for the Project to be achieved and to reflect the Contractor's assumption of responsibility, risk, and liability for design of the Project, and a requirement to pay Liquidated Damages in the event of unexcused delay in completion. The RFP required the Proposers to account for such restrictions and requirements in determining the proposed Contract Price.
- D. The Authority evaluated proposals in response to the RFP, and has selected the Contractor for award of the Contract based on a determination that its Proposal provided the best value to the Authority, considering the technical and price factors set forth in the RFP.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE 1. Definitions and Acronyms

Refer to Section 1.0 of the General Provisions for definitions of terms and abbreviations used in the Contract Documents.

ARTICLE 2. Contract Documents

ARTICLE 3. Scope of Work

The Contractor shall do all the work and furnish all the materials (except the work and materials expressly stated in the Contract Documents to be performed or furnished by others) necessary to achieve Final Acceptance. The Contractor shall perform the Work in accordance with the Contract Documents.

A general description of the Scope of the Work is set forth in Contract Documents, Book I, Part C.

ARTICLE 4. Contract Time

See the Special Provisions and the "Notice to Proceed and Prerequisites for Start of Construction" clause (Section 3) of the General Provisions.

The Contractor shall diligently prosecute the Work so as to achieve Substantial Completion by the Substantial Completion Deadline and to achieve Final Acceptance by the Final Acceptance Deadline, as such dates may be extended in accordance with the Contract Documents. Certain Contractor obligations, including its warranty obligations, extend beyond Final Acceptance. See the "Warranty" clause (Section 7.8) of the General Provisions.

Only if sufficient funds are made available to the Authority by the U.S. Government or the California State Legislature for the purpose of this program is a contract valid and enforceable. Prior to execution or commencement of any contract resulting from this RFP, if sufficient funds are not made available for the current year and/or any subsequent years covered under a contract resulting from this RFP, then that contract shall be of no further force and effect. In addition, a contract is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress or the State Legislature that may affect the provisions, terms, or funding of this contract in any manner.

After execution or commencement of this contract, if Congress or the State Legislature does not appropriate sufficient funds for the program, the Authority shall have the option to either: 1) cancel the contract with no further liability occurring to the Authority; or 2) amend the contract reduce the scope of work to reflect any reduction in funds.

ARTICLE 6. Alterations and Omissions

The Authority reserves the right, at any time during the progress of the Work, to alter the Scope of Work, or omit any portion of the Work as it may deem reasonably necessary for the public interest, making allowances for additions and deductions with compensation made in accordance with the Contract Documents for the altered or omitted Work, in accordance with the "Changes" clause (Section 17) of the General Provisions.

ARTICLE 7. Payments

Attachment G: Guaranty

[THIS FORM OF GUARANTY TO BE REPLACED WITH EXECUTED GUARANTY IN EXECUTED CONTRACT]

This Guaranty (this "Guaranty") is made as of _____, 20 ____

by _____,

a _____

("Guarantor"),

in favor of the California High-Speed Rail Authority, a public entity of the State of California (the "Authority").

RECITALS

A. _____
(the "Contractor")

and the Authority are parties to the Authority's Contract No. _____ of even date herewith and the Contract Documents identified therein (collectively, the "Contract") pursuant to which the Contractor has agreed to design and construct the

Project. Initially capitalized terms used herein without definition will have the meaning given such term in the Contract.

B. Guarantor has agreed to enter into this Guarantee to induce the Authority to:

- 1. Enter into the Contract; and
- 2. Consummate the transactions contemplated thereby.

C. The Contractor is a _____
(describe relationship with Guarantor)

The execution of the Contract by the Authority and the consummation of the transactions contemplated thereby will materially benefit Guarantor.

NOW, THEREFORE, in consideration of the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Guarantor agrees as follows:

- 1. **Guaranty** – Guarantor guarantees to the Authority and its successors and assigns the full and prompt payment and performance when due of all of the obligations of the Contractor arising out of, in connection with, under or related to the Contract, including liability for liquidated damages and warranties and including any extended warranty period as specified in the Contract. The obligations guaranteed pursuant to this Guaranty are collectively referred to herein as the "Guaranteed Obligations."

2. Unconditional Obligations – This Guaranty is a guaranty of payment and performance and not of collection. This Guaranty is an absolute, unconditional and irrevocable guarantee of the full and prompt payment and performance when due of all of the Guaranteed Obligations, whether or not from time to time reduced or extinguished or hereafter increased or incurred and, except as provided in the “Permitted Defenses; Contract Amendments” clause of this Guaranty, whether or not enforceable against the Contractor. If any payment made by the Contractor or any other Person and applied to the Guaranteed Obligations is at any time annulled, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be repaid or refunded, then, to the extent of such payment or repayment, the liability of Guarantor will be and remain in full force and effect as fully as if such payment had never been made. Guarantor covenants that this Guaranty will not be fulfilled or discharged, except by the complete payment and performance of the Guaranteed Obligations, whether by the primary obligor or Guarantor under this Guaranty. Without limiting the generality of the foregoing, Guarantor’s obligations hereunder will not be released or discharged by:

- i. Any change in the Contract Documents or the obligations thereunder, or any insolvency, bankruptcy or similar proceeding affecting the Contractor, Guarantor or their respective assets, and
- ii. The existence of any claim or set-off which the Contractor has or Guarantor may have against the Authority, whether in connection with this Guaranty or any unrelated transaction. Provided that nothing in this Guaranty will be deemed a waiver by Guarantor of any claim or prevent the assertion of any claim by separate suit.

Except as provided in the “Permitted Defenses; Contract Amendments” clause of this Guaranty, this Guaranty will in all respects be a continuing, absolute, and unconditional guaranty irrespective of the following:

- i. The genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any part thereof or any instrument or agreement evidencing any of the Guaranteed Obligations or relating thereto, or
- ii. The existence, validity, enforceability, perfection, or extent of any collateral therefor or any other circumstances relating to the Guaranteed Obligations which might otherwise constitute a defense to the Guaranteed Obligations or this Guaranty.

3. Independent Obligations – Guarantor agrees that the Guaranteed Obligations are independent of the obligations of the Contractor and if any default occurs hereunder, a separate action or actions may be brought and prosecuted against Guarantor whether or not the Contractor is joined therein. The Authority may maintain successive actions for other defaults of Guarantor. The Authority’s rights hereunder will not be exhausted by the exercise of any of its rights or remedies or by any such action or by any number of successive actions until and unless all Guaranteed Obligations have been paid and fully performed.

- i. Guarantor agrees that the Authority may enforce this Guaranty, at any time and from time to time, without the necessity of resorting to or exhausting any security or

- collateral and without the necessity of proceeding against the Contractor. Guarantor hereby waives the right to require the Authority to proceed against the Contractor or any other Person, to exercise any right or remedy under any of the Contract Documents or to pursue any other remedy or to enforce any other right.
- ii. Guarantor will continue to be subject to this Guaranty notwithstanding any of the following:
 - a. Modification, agreement or stipulation between the Contractor and the Authority or their respective successors and assigns, with respect to any of the Contract Documents or the Guaranteed Obligations;
 - b. Failure to enforce any of the terms, covenants or conditions contained in any of the Contract Documents or any modification thereof; or
 - c. Release or subordination of any collateral then held by the Authority as security for the performance by the Contractor of the Guaranteed Obligations.
 - iii. The Guaranteed Obligations are not conditional or contingent upon the genuineness, validity, regularity or enforceability of any of the Contract Documents or the pursuit by the Authority of any remedies which the Authority either now has or may hereafter have with respect thereto under any of the Contract Documents.

4. Liability of Guarantor

The Authority may enforce this Guaranty upon the occurrence of a breach by the Contractor of any of the Guaranteed Obligations, notwithstanding the existence of any dispute between the Authority and the Contractor with respect to the existence of such a breach.

Guarantor's performance of some, but not all, of the Guaranteed Obligations will in no way limit, affect, modify or abridge Guarantor's liability for those Guaranteed Obligations that have not been performed.

The Authority, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability of this Guaranty or giving rise to any reduction, limitation, impairment, discharge or termination of Guarantor's liability hereunder, from time to time may do any of the following:

- i. With respect to the financial obligations of the Contractor, renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of financial obligations that are Guaranteed Obligations, and/or subordinate the payment of the same to the payment of any other obligations
- ii. Settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto,
- iii. Request and accept other guarantees of the Guaranteed Obligations and take and hold security for the payment of this Guaranty or the Guaranteed Obligations,
- iv. Release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter,

- subordinate or modify, with or without consideration, any security for performance of the Guaranteed Obligations, any other guarantees of the Guaranteed Obligations, or any other obligation of any Person with respect to the Guaranteed Obligations,
- v. Enforce and apply any security hereafter held by or for the benefit of the Authority in respect of this Guaranty or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that the Authority may have against any such security, as the Authority in its discretion may determine, and
 - vi. Exercise any other rights available to it under the Contract Documents.

This Guaranty and the obligations of Guarantor hereunder will be valid and enforceable and will not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than infeasible performance in full of the Guaranteed Obligations), including without limitation the occurrence of any of the following, whether or not Guarantor will have had notice or knowledge of any of them:

- i. Any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Contract Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement or instrument relating thereto;
- ii. Any modification, agreement or stipulation between the Contractor and Authority or their respective successors and assigns, with respect to any of the Contract Documents or the Guaranteed Obligations; or any consent to departure from, any of the terms or provisions (including without limitation provisions relating to events of default) of the Contract Documents or any agreement or instrument executed pursuant thereto;
- iii. The Authority's consent to the change, reorganization or termination of the corporate structure or existence of the Contractor;
- iv. Any set-offs or counterclaims that the Contractor may allege or assert against the Authority in respect of the Guaranteed Obligations;
- v. Any failure to enforce the Guaranteed Obligations or any of the terms, covenants or conditions contained in any of the Contract Documents or any modification thereof;
- vi. Any waiver by the Authority of the Guaranteed Obligations that is not in writing and signed by the authority's authorized representative or that is made in the context of a bankruptcy or insolvency proceeding in which the Contractor is the debtor, unless otherwise specified in said waiver;
- vii. Any release of the Contractor from liability that is not in writing and signed by the Authority's authorized representative or that is made in the context of a bankruptcy or insolvency proceeding in which the Contractor is the debtor, unless otherwise specified in said release; or
- viii. Any other act or thing or omission, or delay to do any other act or thing, which may or

might in any manner or to any extent vary the risk of Guarantor as an obligor in respect of the Guaranteed Obligations.

5. Waivers

To the fullest extent permitted by law, Guarantor hereby waives and agrees not to assert or take advantage of the following:

- i. Any defense that may arise by reason of the incapacity, lack of authority, death or disability of, or revocation hereby by Guarantor, the Contractor or any other Person or the failure of the Authority to file or enforce a claim against the estate (either in administration, bankruptcy or any other proceeding) of any such Person;
- ii. Any defense that may arise by reason of any presentment, demand for payment or performance or otherwise, protest or notice of any other kind or lack thereof;
- iii. All notices to Guarantor or to any other Person, including, but not limited to, notices of the acceptance of this Guaranty or the creation, renewal, extension, modification, accrual of any of the obligations of the Contractor under any of the Contract Documents, or of default in the payment or performance of any such obligations, enforcement of any right or remedy with respect thereto or notice of any other matters relating thereto, provided that the foregoing shall not be constructed as a waiver of any defense based on failure to provide required notices to the Contractor;
- iv. Any defense based on statutes of limitations other than State of California statutes;
- v. Any requirements of diligence or promptness on the part of the Authority;
- vi. Any defense based upon any act or omission of the Authority which directly or indirectly results in or aids the discharge or release of the Contractor, Guarantor or any security given or held by the Authority in connection with the Guaranteed Obligations, except with respect to a release of the Contractor from liability that is in writing and signed by the Authority's authorized representative, other than any such release that is made in the context of a bankruptcy or insolvency proceeding in which the Contractor is the debtor, unless otherwise specified in said release; and
- vii. Any and all suretyship defenses under applicable law, including, but not limited to, any defense under Sections 2787 through 2855, inclusive, of the California Civil Code.

6. Waiver of Subrogation and Rights of Reimbursement

Until the Guaranteed Obligations have been performed in full, Guarantor waives any claim, right or remedy which it may now have or may hereafter acquire against the Contractor that arises from the performance of Guarantor hereunder, including, without limitation, any claim, right or remedy of subrogation, reimbursement, exoneration, contribution, or indemnification, or participation in any claim, right or remedy of the Authority against the Contractor, or any other security or collateral that the Authority now has or hereafter acquires, whether or not such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise.

THIS DISPUTES RESOLUTION BOARD AGREEMENT (“DRB Agreement”) is made and entered into this ____ day of _____, 20 ____, among California High-Speed Rail Authority, a public entity of the State of California,

 (“Authority”) (“Contractor”)

and _____
 (collectively, the “DRB Members”)

with reference to the following facts:

A. Authority and Contractor have entered into a “Contract” regarding

 (identify Authority’s Project)
 Pursuant to the Contract, Contractor agreed to furnish the design for and to construct the Project.

B. The Contract provides for the establishment and operation of a Disputes Resolution Board (the “DRB”) to assist in resolving disputes and claims among Authority, Contractor, and others in respect to the Project.

NOW, THEREFORE, in consideration of the terms, conditions, covenants, and agreements contained herein, the parties hereto agree as follows:

1. Establishment of Disputes Resolution Board

The Disputes Resolution Board (DRB) shall begin operation upon execution of this DRB Agreement by Authority, Contractor, and the three DRB Members, and shall terminate upon completion of all work required to be performed by the DRB hereunder unless sooner terminated in accordance with this DRB Agreement or applicable law. The DRB shall consist of three members, jointly selected by the Authority the Contractor. The first duty of the DRB shall be to nominate a member as the DRB Chair provided in the “Establishment of the DRB” clause (Section 51.5) of the General Provisions.

Each member of the DRB represents, warrants, and covenants on his/her behalf that he or she meets the following criteria:

- A. Is not an Affiliate or otherwise have a financial interest in the Contractor, any Subcontractor, the Contract, the Project, the California High-Speed Rail Project or in the outcome of any dispute decided hereunder, except for payment for serving on the DRB;
- B. - C. Has not had a professional or personal relationship, with the Contractor, any Subcontractor, the Authority, or an employee of any of the foregoing of a nature which could affect his/her ability to impartially resolve disputes;
- D. Has not had substantial prior involvement in the Project or the California High-Speed Rail Project of a nature which could affect his/her ability to impartially resolve disputes and does not know of any reason why he or she cannot be impartial in rendering decisions;
- E. Does not have a conflict of interest as described in the Authority's Organizational Conflict of Interest Policy;
- F. Shall not accept employment by the Authority or Contractor or any Affiliate during the term hereof and for as long thereafter as any obligations remain outstanding under the Contract Documents, except as a member of other disputes boards; and
- G. Shall not discuss employment, nor make any agreement regarding employment, with the Authority, Contractor, or any Affiliate during the term hereof and for as long thereafter as any obligations remain outstanding under the Contract Documents.

Prior to hearing the first dispute, and thereafter upon request of the Authority or Contractor from time to time, and at least annually, each DRB Member shall provide to the Authority and Contractor a declaration under penalty of perjury affirming that such member meets the qualifications set forth in the "Establishment of DRB" clause (Section 51.5) of the General Provisions and the "Establishment of DRB" clause hereof, and agrees to be bound by the terms of the Contract Documents. Each DRB Member shall promptly notify the Authority and Contractor if any circumstances are likely to prevent a prompt and fair hearing and decision, or if the member fails to meet such qualifications. Any DRB Member failing at any time to meet such qualifications shall be removed from the DRB.

2. DRB Organization and Responsibilities

The DRB is organized in accordance with the "Disputes Resolution Board" clause (Section 51.3) of the General Provisions for the purposes described therein. The DRB is intended to fairly and impartially consider the disputes under the Contract, Subcontracts thereunder, and other contracts relating to the Project placed before it, and to provide written reasoned decisions for resolution of such disputes. The DRB Members shall perform the services necessary to participate in the DRB's actions in accordance with this DRB Agreement and the Contract.

The DRB Members shall visit the Site prior to commencement of construction, and after commencement of construction shall visit the Site periodically to keep abreast of construction activities and to develop a familiarity with the Work in progress, or as may be deemed desirable or necessary in the consideration of any claim or dispute. A special Site visit shall be scheduled at the request of either party or any DRB Member; provided that all reasonable efforts shall be made to allow issues to be raised at the regularly scheduled Site visits except where a special visit is warranted due to special circumstances such as the need to observe Site conditions before they are disturbed. Representatives of the Authority and Contractor shall have the right to accompany the DRB on any such visit.

All DRB Members are to act independently in the consideration of facts and conditions surrounding any dispute. Seeking the DRB Members' advice or consultation, ex parte, is expressly prohibited; provided, however, that either party may seek such advice or consultation from the entire DRB, at a DRB meeting, after first giving notice to all parties who might thereafter be parties before the DRB in a dispute involving that problem. A DRB Member who has ex parte contact with a party or party representative shall be subject to removal from the DRB for cause.

DRB Members may withdraw from the DRB upon delivery of written notice of withdrawal to the Authority, Contractor, and the other DRB Members, which notice shall specify a withdrawal date at least 28 days following the date of delivery of the notice. Should the need arise to appoint a replacement DRB Member, the replacement member shall be appointed in the same manner as provided by the Contract for appointment of the original member. The selection of a replacement DRB Member shall begin promptly upon notification of the necessity for a replacement, and shall be completed within 28 days thereafter. The change in DRB membership shall be evidenced by the new member's signature on the DRB Agreement.

This DRB Agreement may be terminated by mutual agreement of the Authority and Contractor at any time upon not less than four weeks written notice to the other parties. Authority and Contractor shall each have the right, one time only, to require appointment of a new disputes resolution board to resolve future disputes, which right may be exercised at any time by delivery of notice to such effect to the other party and to the current DRB Members. In such event a new agreement in the same form as this DRB Agreement will be executed establishing the new DRB, and except as otherwise mutually agreed by the Authority and Contractor, the work to be performed by the DRB established under this DRB Agreement shall be limited to disputes submitted to the DRB before delivery of the notice requiring appointment of a new DRB.

The personal services of the DRB Member are a condition to receiving payment hereunder. No DRB Member shall assign any of his or her work pursuant to this DRB Agreement without the prior written consent of both the Authority and Contractor.

Each DRB Member, in the performance of his or her duties on the DRB, is acting as an independent contractor and not as an employee of either the Authority or Contractor. No DRB Member will be entitled to any employee benefits.

3. Hearings and Decisions

Each Dispute under the Contract shall be heard by the DRB as provided in the "Disputes" clause (Section 51) of the General Provisions.

In general, the DRB shall have the right to establish its own procedures and time limits, including the right to establish or to waive evidentiary rules and procedures, except for evidentiary rules pertaining to privilege. Each party shall retain the right to discovery as provided in the Contract and to present its witnesses and evidence at its own discretion, within the parameters established by the DRB.

Upon receipt by the DRB of a notice of appeal, either from the Contractor or the Authority,

the DRB shall convene a hearing to review and consider the matter as quickly as possible, taking into consideration the particular circumstances and the time required to prepare detailed documentation. Both the Authority and the Contractor are encouraged to provide exhibits, calculations, and any other pertinent material to the DRB for review prior to the hearing. All such material shall concurrently be given to the other party.

The DRB shall convene to consider questions presented to it, and shall at the conclusion of each hearing either provide the DRB Decision or advise the parties when the DRB Decision will be forthcoming.

4. Provision of Documents to DRB

The Contractor, with assistance of the Authority, shall furnish to each DRB Member one copy of all documents it might have, other than those furnished by the Authority, which are pertinent to the performance of the Contract and necessary to the DRB's work.

The Authority shall furnish each DRB Member one copy of all Contract Documents, all Design Documents (following preparation thereof by the Contractor and approval thereof by Authority), and other documents pertinent to the performance of the Contract and necessary to the DRB's work.

Each DRB Member agrees to execute and deliver a confidentiality agreement as described in the "Availability for Review" clause (Section 25.1) of the General Provisions with respect to copies of Escrowed Proposal Documents (EPDs) that may be provided to the DRB.

5. Expenses

Except as otherwise provided in Section 6 hereof, payment for services rendered by each DRB Member and for their direct, non-salary expenses shall be calculated in accordance with the payment schedule for such DRB Member agreed to among the Authority, the Contractor, and the DRB Member, and shall be paid in accordance with this Section 5.

Invoices for payment for work completed shall be submitted no more often than once per month. Such invoices shall be in a format approved by the Authority and accompanied by a general description of activities performed during this period. The value of work accomplished for payment shall be established from the billing rate and hours expended by the DRB Member together with direct, non-salary expenses. Billings for expenses shall include an itemized listing supported by copies of the original bills, invoices, expense accounts, and miscellaneous supporting data.

Each DRB Member shall keep available for inspection, for a period of three years after final payment, the cost records and accounts pertaining to this DRB Agreement.

6. Disputes Involving Other Parties

The parties acknowledge that various third parties may agree that the jurisdiction of the DRB shall extend to disputes affecting such third parties. In general, such disputes shall be heard by the three DRB Members, appointed as described above, in accordance with the terms of the Contract, this DRB Agreement, and the contract between the Authority and such third parties ("Such Third Parties"). However, to the extent that the following rights are provided to Such Third Parties by the Authority, the Parties agree that the membership of the DRB may

be modified with respect to disputes involving Such Third Parties, as follows:

- A. Such Third Party may agree to use the existing DRB with respect to the dispute. This option shall be deemed selected:
 - i. Unless Such Third Party delivers written notice to the DRB that it intends to select a qualified consultant/DRB Member with respect to such dispute, which notice is delivered to the DRB Chairperson within seven days after delivery of written notice to Such Third Party describing the dispute and stating that Such Third Party is a necessary party to the dispute resolution procedure, or
 - ii. If Such Third Party fails to select a qualified consultant/DRB Member, as described above, within seven days after delivery of notice of intent to select such person, or after notification of the Authority's or Contractor's disapproval of the DRB Member.
- B. If Such Third Party elects not to use the existing DRB as provided above, then Such Third Party may:
 - i. Select an advisor who shall act as a non-voting consultant to the DRB with respect to the dispute; or
 - ii. Select a fourth DRB Member who shall have the right to participate in the selection of a fifth DRB Member and to participate in the decision-making process hereunder with respect to such dispute; or
 - iii. With respect to disputes which do not involve the Contractor, appoint a DRB Member who shall replace the DRB Member appointed by the Contractor.

In selecting a non-voting consultant/DRB Member, Such Third Party is encouraged to appoint the same individual for all disputes, so that such individual will have the opportunity to develop expertise and familiarity regarding the Project.

Any non-voting consultant or DRB Member selected by Such Third Party shall be required to meet the qualifications for DRB Members set forth herein, and shall execute and agree to be bound by the terms of this DRB Agreement as to disputes involving Such Third Party. In the event that a fourth member is selected, Such Third Party's selection of the fourth DRB Member shall be subject to the Authority's and Contractor's approval, and the fifth DRB Member shall be selected by a majority vote of the four DRB Members. Disputes regarding appointment of such fifth Member shall be subject to the dispute resolution procedures set forth in the Contract, and shall be decided by the original three DRB Members.

Expenses of the DRB payable by Such Third Party shall be as follows:

- In the event that option 6.A is selected, or if Such Third Party elects to appoint a voting DRB Member, Such Third Party shall share equally the costs and expenses for the DRB determined in accordance with the Contract, including the costs of the two additional DRB Members; and
- In the event that Such Third Party opts to appoint a non-voting consultant, Such Third Party shall be responsible for paying the costs and expenses for the consultant which it appointed, as well as a proportionate share of the costs and expenses of the third DRB

member, together with a proportionate share of any common costs allocable to the parties to a dispute under the Contract. In determining the amount of any such payment or reimbursement of costs and expenses, the DRB Members are specifically directed to consider the benefit accruing to Such Third Party resulting from the DRB's expertise and familiarity with the Project, and the expenditures previously incurred by the Authority and the Contractor to develop such expertise and familiarity. In such case the Contractor shall be responsible for paying amounts invoiced by the DRB Members for the common costs, and invoicing the other participants for their share of such amounts.

The provisions set forth in this Section 6 shall supersede any provisions to the contrary contained in the Contract.

7. Miscellaneous

Capitalized terms used but not defined herein shall have the meanings set forth in the Contract.

Notices hereunder shall be sent as provided in the Contract. The addresses for the DRB Members are set forth on the signature pages hereof.

This DRB Agreement shall be governed by and construed in accordance with the law of the State of California. To the extent that the Federal Arbitration Act may apply to disputes considered hereunder, to the maximum extent allowed by law, the parties hereby waive any requirements of the Federal Arbitration Act that are inconsistent with the provisions of this DRB Agreement and the Contract.

No DRB Member shall release any material or data prepared or received by the DRB under this DRB Agreement to any other person or agency. All press releases or information to be published in newspapers, magazines, or electronic media, shall be distributed only after first being authorized by the Authority and the Contractor.

The parties hereto mutually understand and agree that all DRB Members, in the performance of their duties on the DRB, are acting in the capacity of independent contractors and not as employees of the Authority or the Contractor. The DRB Members shall have no personal or professional liability arising from the services provided under this DRB Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this DRB Agreement as of the day and year first above written.
