

San Francisco to San Jose and San Jose to Merced Project Sections
COMMUNITY OPEN HOUSE MEETINGS
September 8 – October 7, 2015

Please join us at a Community Open House for up-to-date information on the statewide program and learn about the next phase of planning and environmental review.

The **San Francisco to San Jose** and **San Jose to Merced Project Sections** will connect communities from the Bay Area to the Central Valley via the Transbay Transit Center in downtown San Francisco to the Merced Station. We have been working with local communities, regional stakeholders and regulatory agencies to plan and identify the potential alignment alternatives for these project sections. Our goal is to provide you with an opportunity to learn more about the program, to address your questions and to seek your input as we begin the next phase of planning and environmental review.
