

CONSTRUCTION & ROAD CLOSURE ALERT

LANE CLOSURE & SHOULDER WORK IN SANTA CLARA CO., SAN JOSE & MORGAN HILL

ISSUED: FEBRUARY 9, 2018

SANTA CLARA COUNTY, CALIF. – The California High-Speed Rail Authority (Authority), in cooperation with geotechnical consultant, Kleinfelder Inc., announces lane closures on Monterey Rd for field work associated with geotechnical explorations within the Silicon Valley to Central Valley line starting Saturday, February 10 through Friday, February 16.

This work is being done to understand geologic and hydrogeologic conditions near and around locations in close proximity to proposed alignment alternatives under consideration. This work supports future engineering, environmental and procurements. Kleinfelder Inc. and Fugro Consultants will be performing drilling activities using a mud-rotary and CPT rigs.

A final alignment alternative through this area has not yet been selected, and will be done so through a public environmental review process.
