

# CONSTRUCTION & ROAD CLOSURE ALERT

## LANE AND SHOULDER CLOSURES IN MERCED AND MADERA COUNTIES

ISSUED: SEPTEMBER 4, 2018

**MERCED & MADERA COUNTIES, CALIF.** – The California High-Speed Rail Authority (Authority), in cooperation with geotechnical consultant, Kleinfelder Inc., announces lane and shoulder closures on several roads in Madera and Merced counties. The closures are for underground geotechnical testing and are scheduled to begin Tuesday, September 4, 2018. All work will be performed on the public roadway.

This work is part of the preliminary design of the Silicon Valley to Central Valley High Speed Rail Line. Exploratory borings and other tests will be conducted to help designers understand geologic and hydrogeologic conditions around proposed alignment alternatives currently under consideration.

A final alignment location through this area has not yet been selected but will be chosen through a public environmental review process.

### Lane and Shoulder Closures planned for Sep. 4 - Sep. 7

#### In Madera County:

##### September 4

- Shoulder work on westbound Avenue 23½ between Road 10 and Road 11.
- Shoulder work on westbound State Route 152 (SR 152) between Road 12 and Road 13
- Shoulder work on westbound Avenue 23½ between Road 11 and Road 12.
- Shoulder work on eastbound Avenue 25 between Road 11 and Road 12.

##### September 5

- Shoulder work on westbound SR 152 between Road 15 and Road 15½.
- Shoulder work on northbound Road 17½ just south of SR 152.

##### September 6

- Shoulder work on northbound Road 11 between Avenue 25½ and Avenue 26.

##### September 7

- Shoulder work on eastbound Avenue 25½ just east of Road 11.

#### In Merced County:

##### September 6

- Shoulder work on northbound Road 11 just north of Avenue 26.

##### September 7

- Shoulder work on southbound Harmon Rd. between W Washington Rd. and SR 152.

**Signage will be in place to direct traffic. Drivers should watch for field vehicles and personnel.**

This schedule is subject to change. For up-to-date information please visit [BuildHSR.com](http://BuildHSR.com) or the [Caltrans Quickmap](http://Caltrans Quickmap). Traffic laws will be fully enforced and commuters are expected to be aware of the surrounding activities, remain alert and watch for construction vehicles and personnel. The public is asked to drive carefully and be extra cautious while traveling through construction areas.
