West Sacramento, California

PURPOSE

- ❖ Designed in part to assist in facilitating our aggressive small and disadvantaged business goals.
- ❖ Open to all prospective and current bidders, both large and small.
- ❖ Will support two main objectives:
 - 1) Allow businesses interested in subcontracting opportunities with our Design-Build and other prime contractors, to enter their information through a quick and easy process.
 - 2) Provide Authority's current and future prime contractors the capability to search for businesses interested in working on the High-Speed Rail Program.
