Re: Request for Proposals for Small Business Development Services
HSR No. 14-21

Dear Proposer:

Please take notice that pursuant to Section 3.3 of the Request for Proposals (RFP) for Small Business Development Services, HSR No. 14-21, the Authority is cancelling this RFP in its entirety.

Section 3.3 of the RFP provides, "This RFP does not commit the Authority to award a contract, to pay any costs incurred in the preparation of a Proposer to this request, or to procure or contract for services or supplies. The Authority reserves the right to accept or reject any or all Proposals received as a result of this request, to negotiate with any qualified and responsible Proposer, or to modify or cancel in part or in its entirety the RFP if it is in the best interests of the Authority to do so."

The Authority anticipates issuing a new procurement for similar services within the next two weeks, and will provide a redlined version of this RFP with the new procurement document as a courtesy to all Proposers.

Thank you for your interest in the California High-Speed Rail Project. If you have any questions or concerns, please contact our office at (916) 403-6925 or andrea.mack@hsr.ca.gov
