build temporary blanket sound walls  
Southern CA

Electrical- Critical power infrastructure design/ build/ maintain- generators, UPS, DC plants Rental Power generators	Southern CA
Prime Contractor	Other
Transportation Engineering/Planning	Central Valley
Elevators, escalators & moving walks for commercial construction; active in all US states and over 200 foreign countries. Subsidiary of UTC	Central Valley
Heavy civil, highways, rail and airports	Central Valley
Program & Construction Management Services, Inspection Services, Cost Estimating Services, IT Management & Support	Southern CA
Design-Build	Southern CA
We are a supplier. You may view our DVBE/SBE certificate with DGS where the rest of our NAICS codes are located. Organizational Development Economic Development Project Entitlement & Implementation	Southern CA
Custom manufacturing of truck / trailers as well as custom components manufacturing	Central Valley
Custom manufacturer of mobile transportation equipment	Central Valley

Full landscape architectural services, planning, design, construction documents. Streetscape, transit center, trail, public access design. Bay Area

Security guard and patrol services/ we will stand watch over equipment, to deter theft, vandalism, and trespassing of unauthorized person/s Central Valley  
Environmental consulting, subsurface investigations, environmental site clearances, Phase I / Phase II Environmental Investigations, Hazardous Materials Assessment and Mitigation, Southern CA

fiber optic construction/installation Central Valley

Quality Assurance, Reliability Engineering, verification & Validation, Operations and Maintenance, Independent Design Review Bay Area

Plumbing, Heating, Heating, Air Conditioning, Insulation and General Building Contractor Central Valley

master Suites provides temporary housing for short and long term stays. Our fully furnished and accessorized apartment homes include utility, phone, cable, and internet. We provide all Central Valley

Founded in 1970, PROINTEC is a leading company and international reference in the fields of engineering, technology and architecture that also provides consulting services in the Bay Area

Land Surveying and mapping  
Civil Engineering  
Geographic Information Systems Central Valley

Power Generator, Air Compressor, Light Towers, Sales and Rentals and service dealer, High Voltage Power Generators  
PULICE CONSTRUCTION, INC., founded in 1966, is a heavy highway general engineering contractor and construction manager. Central Valley

Pulice has built hundreds of successful transportation projects since 1972, Quad Knopf has partnered with our clients to provide dependable, efficient solutions that keep their projects moving forward. We refer to this as the Quad Knopf Effect Other  
Central Valley

Design QA/QMP/QMS, Quality Assurance/Quality Control, CM, PMPC, Testing and Inspection Central Valley

DESIGN/BUILD TEAM. We develop QMS or QA/QC plans based on the quality requirements of the project; assist the contractor/design-build team with the appropriate QA language Bay Area

Professional Engineering services, Transportation engineering,  
Bridge Design, Construction Management and Surveying Central Valley

Structural Concrete/Bridge Central Valley

Low-Bed Service/Flat bed service Central Valley

Safety Training: OSHA compliant CPR, First Aid, AED training,  
first aid supply, rescue equipment. Central Valley

Reinforced Concrete pipe and box culvert manufacturer  
Construction management, Project management, Program Central Valley

Management, Pre-Construction, Permitting, Engineering,  
Planning, Design, Utilities Relocation Central Valley

Truck bodies & equipment.

Alternative fuel systems.  
Refuse equipment. Central Valley

construction materials Bay Area

all types of concrete Central Valley

Community outreach and public affairs services for major  
infrastructure projects Bay Area

Prepare Stormwater Pollution Prevention Plan,  
Provide Qualified SWPPP Developer and Practitioner to  
manage construction sites, Bay Area

ranging from the construction of high-speed railways; light rail  
and subways; dams and hydroelectric schemes to roads and  
motorways; ports and marine works; hydraulic structures and  
Architectural design, Design management, Project management Other

Construction Management, Utility Coordination Manager,  
Agency approval coordination, BIM coordination, Document Southern CA

Traffic engineering design. Design plan preparation including traffic signal, signing/stripping, street lighting, worksite traffic control, and temporary traffic signal, among others. Southern CA

Safety Consulting, Environmental Compliance and Safety Training. Southern CA

Supplier of Electrical and Utility products Southern CA  
Provide business process management and Project Management Support Services including but not limited to Budget, Compliance, Schedule, Risk Management, Staffing and Southern CA

Landscape Architecture Central Valley  
Samsung E&C America, Inc. focuses on project development and delivery in the western hemisphere. We also bring cutting edge processes and procedures to projects across the globe to Southern CA

DEMO, SITE WORK, OVERHEAD/UNDERGROUND RELOCATION  
HAZ WASTE, TRAFFIC CONTROL, Construction Management Central Valley  
Civil Engineering  
Traffic Engineering  
Land Surveying gD Laser Scanning Bay Area

Aerial topographic mapping, land surveying, digital ortho imagery. Southern CA

Full Service Engineering: Civil, Structural, Electrical, MEP. Construction Management Southern CA

Start to finish residential and commercial building. framing and finish carpentry Central Valley  
Rigging Services and Equipment Rental, Safety Management Services including Confined Space and Tailored Training, Personal and Jobsite Safety Equipment, including First Aid Kits, Bay Area  
Watermain / Sewermain / Culverts / Underpass / Road / Multiplate/Steel Erection/Pre-Engineered Steel / Gabion / Retaining / Footing/Foundation/ Grading Other

we are a hotel, specializing in long term stay. we have a fully equipped kitchen, and the suites have a separate and independent rooms.	Other
Industrial NDT INSpection of Supply Chain materials, rail systems, materials. Project Managerment, oversight etc	Southern CA
Tree nursery, Tree supplier, Tree Grower, Tree Planting (through affiliated company)	Central Valley
electrical wiring, distribution, panels, transformers, overneau and underground distribution, generator rentals, back up generator installations	Southern CA
Consulting, marketing and sales.	Southern CA
Prime Contractor	Other
Shoring , Piles , Pipe, Steel P Pile , Steel Pile , Threaded Bar - Earth Anchoring systems, Micropile - Supply and or manufacturing	Other
Civil Engineer design Consulting work. Lead firms to work together, Structure, Infrastructure, grading, flood control.	Central Valley
Design and Egnineering Transportation facilities, green and sustainable design experts.	Bay Area
Arch Supports, Orthodics, work shoes, Diabetic shoes.	Central Valley
security systems, fire alarm, low voltage wiring	Bay Area
Landscape Architecture for public projects, including master planning, design and construction documents and cosnstruction phase services. Specializing in sustainable design and water	Bay Area
Professional, multi-disciplined A/E firm.	Central Valley
Construction Quality Assurance - Environmental Compliance - Solid Waste Management	Other

New invent for High Speed Rails	Other
Diversity Talent recruitment	Southern CA
Structural Engineering	Bay Area
Sundratt Energy designs and integrates solar and micro wind turbine technologies for rail systems. We provide design and integration services and we are working on development of	Bay Area
We operate a hotel located in Tulare, California, and we offer free breakfast and free internet.	Central Valley
commercial glazing, aluminum storefront	Central Valley
Supplier of Construction Materials	Southern CA
Surveying and Mapping Services including Aerial Photography and LiDAR. RISK MANAGEMENT	Other
Earn Value Management Project Controls RISK MANAGEMENT	Central Valley
Earn Value Management Project Controls	Central Valley
STORAK USA'S reputation for quality and client attention, combined with its access to international resources and expertise makes it the premier provider of public and rail	Southern CA
Planning & irrigation concepts and PSD&E, visual impact assessments, visual theme development, computer imaging, 3-D modeling, structures, walls & bridges aesthetics, plant	Southern CA
Program staffing, engineering, general construction, site work construction and underground utilities (wet),	Southern CA
Heavy Civil General Contractor	Central Valley
geotechnical engineering, environmental consulting, construction testing and inspection	Central Valley
Electrical Engineering, Mechanical/Plumbing Engineering, Structural Engineering, Architecture	Central Valley
Land and Right of Way Acquisition, Relocation, Project Management, Construction Management, Community Outreach	Southern CA

Rail Design, Roadway Design, Drainage, Traffic Design (signing/ marking/ MOT/ Signal/ Lighting), Surveying and Material Testing Other

As a social marketing and public relations agency, The Kios Company offers a wide range of services to better connect organizations to multicultural communities. Our specialty lies in Tunnel Boring Machines and conveyor systems and related equipment. Central Valley Other

Tunnel Boring Machines and conveyor systems and related equipment. Other

Professional consulting services in natural resources management plans, inventories, focused surveys, condition and trend monitoring, impact analysis, assessments restoration Southern CA

Project management, support for Design, Full scope of real estate services for row-full/partial/temporary takes, utilities, acquisition, relocation, disposition, community outreach, bilingual Southern CA

Professional engineering design services - structures. Bay Area

Environmental consulting services to include construction monitoring, contractor supplied biologist, biological technical studies, regulatory permitting, biological studies, biological Central Valley

Professional Land Surveying and Mapping Services. Other

Traffic control service. Traffic control plans, permits, engineering. Traffic control equipment sales and rental. Krail. Central Valley

civil engineering, utility relocations, roadway design, parking facilities, construction management Bay Area

TransSystems Corporation is a national transportation consulting firm specializing in engineering and architectural planning, design and construction management, transportation logistics, Bay Area

Design engineering, construction management rail and transit system development Southern CA
