

Bakersfield F Street Station Alignment (BFSSA)

Join Us At A Community Open House Meeting

The California High-Speed Rail Authority (Authority) and the City of Bakersfield invite you to attend a community open house to learn about the Bakersfield F Street Station Alignment (BFSSA). The BFSSA is located between the cities of Shafter and Bakersfield in the Central Valley. As a result of a settlement agreement between the City and the California High-Speed Rail Authority, this locally-generated alternative has been developed in cooperation with the City and will be studied along with the approved Bakersfield Hybrid Alternative in a supplemental environmental document.

The Authority has been working with the cities of Bakersfield and Shafter, as well as local residents, stakeholders and regulatory agencies to refine an alignment that includes a station at the intersection of F Street and Golden State Avenue. This is an opportunity for the community to ask questions and provide comments about the alignment that is being studied.

Please Join Us: Community Open House

Bakersfield

Tuesday, August 25, 2015

4:00 p.m. to 7:00 p.m.
