FRESNO, CALIF. – The California High-Speed Rail Authority (Authority), in cooperation with design-build contractor, Tutor-Perini/Zachry/Parsons (TPZP), announces a full road closure at Avenue 11 in Madera County as part of construction of an overcrossing that will eliminate an existing at-grade crossing and allow vehicles to travel over the high-speed rail alignment and BNSF railroad tracks. This closure is expected to start Monday, September 25, 2017.

This work is part of Construction Package 1 (CP 1), the first 32-mile stretch of high-speed rail between Avenue 19 in Madera County and East American Avenue in Fresno County.

Avenue 11 will be closed to thru traffic between Road 31 and BNSF railroad tracks for approximately 18 months starting September 25, 2017.

Traffic going west on Avenue 11 will be detoured north on Road 32, then west on Avenue 12, south on Road 30 ½ and back onto Avenue 11.

Traffic going east on Avenue 11 will be detoured north on Road 30 1/2, then east on Avenue 12, south on Road 32 and back onto Avenue 11.

This schedule is subject to change. For up-to-date information please visit BuildHSR.com or the Caltrans Quickmap. Traffic laws will be fully enforced and commuters are expected to be aware of the surrounding activities, remain alert and watch for construction vehicles and personnel. The public is asked to drive carefully and be extra cautious while traveling though the construction areas.
