APPENDIX 3.6-B: WATER USAGE ANALYSIS TECHNICAL MEMORANDUM

A number of technical appendices included as part of the Fresno to Bakersfield Section Final Environmental Impact Report/Environmental Impact Statement (EIR/EIS) have not been recreated for the purposes of this Draft Supplemental EIR/EIS because the information contained within the technical appendix would remain applicable to the F-B LGA. Appendix 3.6-B did not require an update for the F-B LGA analysis and therefore is not included in Volume II of the Fresno to Bakersfield Section Draft Supplemental EIR/EIS. To review the appendix in its entirety, please refer to the Authority’s Final EIR/EIS: Fresno to Bakersfield website.
